

Eagle River Annual Fireworks Campaign

Summer in the Northwoods is a family tradition for young and old alike. One tradition that is near and dear not only to our local families, but to our visitors as well, is the **Eagle River 4th of July Celebration and its Fireworks Display**. In order to continue this great annual tradition, we need your support. Please consider partnering with us to make this year's Eagle River Fireworks display the best yet. The Eagle River Area Chamber of Commerce will be supporting this campaign with a \$5,000 donation.

We have set a fundraising goal of \$25,000 to repeat past firework shows. Money raised will be used to purchase the fireworks show and to help pay for other fireworks related expenses such as insurance, portable restrooms and other necessities. We are asking for contributions from \$1 and up with sponsorship levels starting at \$250. With your help, we hope to make this year's 4th of July Celebration the best ever!
