## HOME OF THE HOCKEY CAPITAL OF WISCONSIN™

Hockey is Eagle River culture, with formal hockey games dating back to 1926 in the infamous "dome." Take in a Northland Pines High School game or plan on fast action at a Falcons' game on the weekend.

Be sure to check out the packed tournament schedules for youth hockey, ranging from ages 2-14 and skill levels from introductory to high school prep.

Windigo Hockey offers a great competitive, positive junior league hockey with over 90 players committing to NCAA programs. Expect to see and experience exceptional hockey.

Also make plans to check out the National Championship USA Pond Hockey held on Dollar Lake, with up to 300 teams facing off in February.

## A TRADITION... EAGLE RIVER'S ICE CASTLE

The original ice castle was built in 1933 with ice harvested from Silver Lake. The Eagle River Area Fire Department picked up the project around 1960, and has been doing it ever since. The castle is usually built around the New Year (weather dependent), and features a different design each year.
